**NOTES TO FINANCIAL STATEMENTS**  
**(Unaudited)**  
**(All dollar amounts in thousands)**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Organization and basis of presentation**

Boardwalk Regency Corporation (the “Company”), a New Jersey corporation, is a wholly owned subsidiary of Caesars New Jersey, Inc. (“CNJ”), a New Jersey corporation. The Company owns and operates Caesars Atlantic City Hotel/Casino (“CAC”) in Atlantic City, New Jersey. CNJ is a wholly owned subsidiary of Caesars World, Inc. (“CWI”), a Florida corporation, and CWI is a wholly owned subsidiary of Harrah’s Operating Company, Inc. (“HOC”). The Company operates in one industry segment and all significant revenues arise from its casino and supporting hotel operations.

Prior to June 13, 2005, the Company was 100% owned by Caesars Entertainment, Inc.(“CEI”). On June 13, 2005, Harrah’s Entertainment, Inc. (“Harrah’s”) completed the acquisition of 100 percent of the outstanding shares of CEI. Following the purchase, the Company became an indirect wholly-owned subsidiary of HOC.

In conjunction with the acquisition, total equity was adjusted to the purchase price assigned to the Company, retained earnings of the Company were eliminated and the assets and liabilities of the Company were adjusted to fair value with goodwill recorded for the excess of the purchase price over the fair value of the net tangible and intangible assets. Harrah’s determined the estimated fair values based on independent appraisals, discounted cash flows, quoted market prices and estimates made by management. The purchase price allocation related to the CEI acquisition has been completed and refinements have been recorded in these statements. The following table summarizes the estimated fair value of the Company’s assets acquired and liabilities assumed at the date of acquisition (in thousands):

Current assets	\$ 45,691
Land, buildings and equipment	632,230
Other assets	42,248
Due from affiliates (net)	42,797
Goodwill	271,285
Intangible assets	<u>278,000</u>
Total assets acquired	<u>\$ 1,312,251</u>
Current liabilities	\$ 66,788

Total liabilities assumed	<u>\$ 719,185</u>

**Boardwalk Regency Corporation (Caesars Atlantic City)**  
**NOTES TO FINANCIAL STATEMENTS**  
**(Unaudited)**  
**(All dollar amounts in thousands)**

For purposes of this regulatory filing, adjustments to the historical assets of the Company were reflected on December 31, 2005 and in its statement of operations for the three months and twelve months ended December 31, 2005 and in its statement of cash flows for the twelve months ended December 31, 2005. The operations of the Company for the periods prior to June 13, 2005 are considered as the "Predecessor Company." The operations of the Company for the period from June 14, 2005 are referred to in these financial statements as the "Company." The Company's balance sheet, statements of income and statements of cash flow are not comparable to the Predecessor Company. Reclassifications have been made in the prior period financial statements in order to conform to the presentation used in the current period. For information on prior year, please refer to the Quarterly Report at December 31, 2005. The Company has assumed all Predecessor Company's obligations.

**Use of estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenue and expenses reported during the period. Actual results could differ from such estimates.

**Revenue Recognition**

Casino revenues consist of net gaming wins. Food and beverage and rooms revenues include the aggregate amounts generated by those departments.

**Casino Promotional Allowances**

Casino promotional allowances consist of the retail value of complimentary food and beverages, accommodations, admissions and entertainment provided to casino patrons. Also included is the value of the coupons redeemed for cash at the property. The estimated costs of providing such complimentary services are classified as Casino expenses in the accompanying Statements of Income.

**Inventories**

Inventories are stated at the lower of cost or market. Cost is determined using the weighted average cost method.

**Property and equipment**

Depreciation is provided on the straight-line basis over the estimated economic lives of the related assets. Depreciation expense was \$10,308 for the three months ended December 31, 2006,

and \$31,792 for the twelve months ended December 31, 2006.

<u>Asset class</u>	<u>Life</u>
Land improvements	12 years
Building and improvements	30-40 years
Furniture, Fixtures and Equipment	3-10 years

On November 28, 2005, the Company entered into an agreement to sell a 7.7 acre parcel of land, known as the Traymore Lot, to an unrelated third party. The value of the land was adjusted to its fair value through the purchase price allocation.

### **Goodwill and Other Intangible Assets**

In accordance with Statement of Financial Accounting Standards ("SFAS") No. 142, *Goodwill and Other Intangible Assets*, the Company performs at least an annual review of goodwill and non-amortizing intangibles. The purchase price allocation related to the CEI acquisition is in process and will be completed within one year of the acquisition; thus, the allocation of the purchase price is subject to refinement. The Company completed its annual assessment for impairment during the fourth quarter of 2006 and 2005, respectively, and determined that goodwill and non-amortizing intangible assets had not been impaired. In accordance with the provisions of SFAS No. 142, the Company does not amortize goodwill.

The intangible assets include trademark totaling \$83,000 and customer relationships (database) totaling \$195,000. The trademark has been determined to have an indefinite life and accordingly is not amortized. The customer relationships have been determined to have a useful life of 15 years and are being amortized using the straight-line method. Amortization expense for the twelve months ending December 31, 2006, was approximately \$12,453. Based on the value allocated to amortizing intangibles as of December 31, 2006, estimated annual amortization expense for each of the years ending December 31, 2007, 2008, 2009, 2010 and 2011, is \$13,000.

### **Total Rewards / Connection Card liability**

Prior to April 2006, the Company participated in CEI's customer rewards program, Connection Card, which offered incentives to customers who gambled at affiliate casinos. Under the program, customers were able to accumulate credits that they could redeem at their discretion under the terms of the program. The credit balance was forfeited if the customer was inactive for a one-year period. The estimated incremental costs of the goods or services to be provided when the credits are redeemed, after consideration of estimated forfeitures, were expensed as related revenues were recognized. The Company used historical and projected data to assist in the determination of estimated cost accruals.

**Boardwalk Regency Corporation (Caesars Atlantic City)**  
**NOTES TO FINANCIAL STATEMENTS**  
**(Unaudited)**  
**(All dollar amounts in thousands)**

I In December 2005, the Company changed the method of calculating its liability by applying a Harrah's company-wide method. This resulted in an increase to the liability of \$3,880. Of this amount, \$1,310 was attributed to pre-acquisition balances and adjusted the purchase price. Of the remaining amount, \$1,193 was attributed to a change in method and was charged as Non Operating Expense on the accompanying Statements of Income. \$1,377 was considered current operating expense and is included in Casino Expense on the accompanying Statements of Operations.

The accrued cost of anticipated credit redemptions was \$7,439 as of December 31, 2005.

In addition to Connection Card credits, customers could earn points based on play that were redeemable in cash ("cash-back points"). The cost of cash-back points were accrued, after consideration of estimated breakage, as they were earned. The cost was recorded as contra-revenue and included in Casino promotional allowances in the Statements of Income. At December 31, 2005, the liability related to outstanding cash-back points, which is based on historical redemption activity, was \$1,475.

In April 2006, the Company converted the outstanding Connection Card credits and cash-back points to Harrah's customer loyalty program, Total Rewards, which offers incentives to customers who gamble at certain of Harrah's casinos throughout the United States. Under the program, customers are able to accumulate, or bank, Reward Credits over time that they may redeem at their discretion under the terms of the program. The Reward Credit balance will be forfeited if the customer does not earn a Reward Credit over the prior six month period. As a result of the ability of the customer to bank the Reward Credits, the Company accrues the expense of Reward Credits, after consideration of estimated breakage, as they are earned. The value of the cost to provide Reward Credits is expensed as the Reward Credits are earned and is included in Casino expense on our Statements of Income. To arrive at the estimated cost associated with Reward Credits, estimates and assumptions are made regarding incremental marginal costs of the benefits, breakage rates and the mix of goods and services for which Reward Credits will be redeemed. Historical data is used to assist in the determination of estimated accruals. At December 31, 2006 \$6,095 was accrued for the cost of anticipated Total Rewards credit redemptions.

In addition to Reward Credits, customers can earn cash-back points based on play. The cost of cash-back points are accrued, after consideration of estimated breakage, as they are earned. The cost is recorded as contra-revenue and included in Casino promotional allowances on our Statements of Income. At December 31, 2006, the liability related to outstanding cash-back points, which is based on historical redemption activity, was \$1,313.

**Accounting Pronouncements**

There were no accounting standards issued in 2006 that are expected to materially impact the Company.

**Income taxes**

The Company is included in the consolidated federal tax return of Harrah's and files a separate New Jersey tax return. The provision for federal income taxes is computed based on the statutory federal rate as if the Company had filed a separate income tax return. The provision for state taxes is based on the statutory New Jersey tax.

Deferred income taxes reflect the net tax effects of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for income tax purposes.

The income tax provision or benefit for the periods ended December 31, 2006 and December 31, 2005 are as follows:

**Casino Reinvestment Development Authority**

The New Jersey Casino Control Act provides, among other things, for an assessment of licensees equal to 1.25% of their gross gaming revenues in lieu of an investment alternative tax equal to 2.5% of gross gaming revenues. The Company has satisfied this investment obligation by (i) investing in qualified eligible direct investments, (ii) making qualified contributions or (iii) depositing funds with the Casino Reinvestment Development Authority (“CRDA”). Funds deposited with the CRDA may be used to purchase bonds designated by the CRDA or, under certain circumstances, may be donated to the CRDA in exchange for credits against future CRDA investment obligations. CRDA bonds have varying terms of up to fifty years and bear interest at below market rates. The Company records a charge to reflect the estimated realizable value of its CRDA investments.

The twelve Atlantic City casino properties (the “AC Industry”) and the CRDA have entered into an agreement with the New Jersey Sports & Exposition Authority (the “NJSEA”) to provide funding to subsidize New Jersey’s horseracing industry. In exchange for this funding, the NJSEA and the three active New Jersey racetracks will not conduct any casino gaming at the racetracks prior to January 1, 2009. As part of the agreement, the AC Industry will provide \$34,000 over a four year period to the NJSEA and must deposit another \$62,000 into the Casino Expansion Fund (managed

by the CRDA). The \$62,000 will be derived from funds either currently on deposit or to be deposited with the CRDA pursuant to each casino property's investment obligation. The Company's obligation is equal to its fair-share of AC Industry casino revenues. The Company estimates this commitment over the four year period to be a total of \$3,700, the first payment of which was made November 2004. The total estimated commitment will be charged to operations on a straight line basis through January 1, 2009. Once the Company meets its deposit obligation related to its fair share of the \$62,000, the Company is eligible to receive funds from the Casino Expansion Fund for qualified construction expenditures. The Company has until June 30, 2014 to submit an application to exhaust its share of the Casino Expansion Fund. Any funds not transferred out of the Casino Expansion Fund by the required date will be transferred to funds on deposit with the CRDA pursuant to its ongoing investment obligations.

During May 2003, the Company entered into an agreement to lease the Pier at Caesars (the “Pier”) to developers for an initial term of 75 years. The 75 year term commences upon completion of the Pier’s construction which was completed in 2006. The lease agreement provides for the repayment of certain qualified pier development costs incurred by the developers.

As financing for the qualified pier development costs, the Company and certain of its Atlantic City affiliates entered into a credit agreement (the “Credit Agreement”) with the CRDA. The Credit Agreement provides for funding from the CRDA of up to \$42,800 for qualified development costs. The CRDA funding will come from amounts either currently on deposit or to be deposited with the CRDA pursuant to the Company’s and its affiliates’ investment obligations. Repayments to the developers are limited to the funds received from the CRDA. As of December 31, 2006, the Company has received \$4,879 of previously deposited funds from the CRDA.

As of December 31, 2006, the Company repaid the developers approximately \$42,800 through CRDA funds previously deposited by an affiliate. These payments are considered lease incentive payments and will be amortized over the life of the lease.

On July 1, 2006, the note was assigned to HEL. Neither the terms nor the amounts of debt were affected by this assignment. **NOTE 12 – RELATED PARTY TRANSACTIONS**

The Company participates with HOC and its other subsidiaries in marketing, purchasing, insurance, employee benefit and other programs that are defined and negotiated by HOC on a consolidated basis. The Company believes that participating in these consolidated programs is beneficial in comparison to the terms for similar programs that it could negotiate on a stand-alone basis.

**Cash Activity with HOC and Affiliates**

The Company transfers cash in excess of its operating needs to HOC on a daily basis. Cash transfers from HOC to the Company are also made based upon the needs to the Company to fund daily operations, including accounts payable and payroll, as well as capital expenditures. In addition, the Company transfers cash to HOC to reimburse HOC for payroll costs of certain HOC employees who provide services to the Company. No interest is earned on the amount shown as due from affiliates, net, in the accompanying financial statements.

**Administrative and Other Services**

Harrah's allocates certain expenses to the Company, such as information technology, internal audit and risk management. These expenses are allocated using various formulas based on estimates of utilization of such expenses. Management believes that the methods used to allocate these costs are reasonable. The Company was allocated \$10,879 for these services for the twelve months ended December 31, 2006.

**Equity Incentive Awards**

Harrah's maintains equity incentive awards plans in which employees of the Company may participate. Harrah's allocates an appropriate amount of cost for these awards to each subsidiary

**Boardwalk Regency Corporation (Caesars Atlantic City)**  
**NOTES TO FINANCIAL STATEMENTS**  
**(Unaudited)**  
**(All dollar amounts in thousands)**

where employees participate.

Under these plans, non-qualified stock options, restricted stock, stock appreciation rights (“SARs”), performance shares, performance stock units, dividend equivalents, stock payments, deferred stock, restricted stock units, other stock-based awards and performance-based awards may be granted to employees or consultants of Harrah’s and its subsidiaries, including the Company and members of Harrah’s Board of Directors. Currently, only non-qualified stock options, SARs and restricted stock are outstanding under these plans.

Effective January 1, 2006, Harrah’s adopted SFAS No. 123 (revised 2004), *Share-Based Payment*, using the modified prospective application and, therefore, Harrah’s results for prior periods were not restated and no expense was allocated to the Company.

### **Stock Options**

Stock option awards typically vest in equal installments on January 1 following the grant date and on January 1 in each of the two subsequent years and allow the option holder to purchase stock over specified periods of time, generally seven years from the date of grant, at a fixed price equal to the market value at the date of grant. The Company recognized approximately \$600 for stock option expense in 2006. This expense is included in general and administrative expenses in the accompanying statements of income.

### **Stock Appreciation Rights**

SARs typically vest in equal installments on June 30 of the year following the year of the grant date and on June 30 in each of the two subsequent years. SARs allow the holder to receive a payment, in cash or stock, equal to the excess of the fair market value of a specified number of shares of stock on the date the SARs are exercised over an exercise price per share, which typically is the fair market value on the date the SARs were granted. The Company recognized approximately \$100 for SARs expense in 2006. This expense is included in general and administrative expenses in the accompanying statements of income.

### **Restricted Stock**

Restricted share grants of Harrah’s stock have restrictions that may include, but not be limited to, the right to vote, receive dividends on or transfer the restricted stock. Restricted shares may be subject to forfeiture during a specified period or periods prior to vesting. These shares issued generally vest in equal annual installments over a three year period. The compensation arising from a restricted stock grant is based upon the market price of Harrah’s stock at the grant date. Such expense is deferred and amortized to expense over the vesting period. The Company recognized approximately \$210 of compensation expense in 2006 related to Harrah’s restricted stock. This expense is included in general and administrative expenses in the accompanying
